PROFESSIONAL SUMMARY

Results-driven professional with expertise in project management, operational efficiency, and cross-functional leadership. Proven track record of managing end-to-end projects, driving brand awareness, and executing successful strategic initiatives. Adept at blending technical skills with creative problem-solving to cultivate dedicated audiences and optimize operational workflows.

WORK EXPERIENCE

Senior Project Manager | Apex Innovations | Metropolis, NY | 2022 - Present

- Increased team productivity by 25% as measured by project completion rates, by implementing agile methodologies and restructuring daily stand-ups.
- Cultivated a dedicated foundational audience within a core niche by executing targeted content curation and user-centric product design strategies.
- Optimized marketing ROI by managing a \$500K campaign budget and directing financial decisions for targeted social media promotions.
- Directed end-to-end multimedia content creation by producing original assets to drive social media engagement and user retention.

Operations Specialist | Globex Corporation | Star City, CA | 2020 - 2022

- Accelerated overall warehouse workflow by proactively cross-training and assisting in secondary departments upon completion of primary tasks.
- Maintained high operational efficiency during peak order seasons by managing high-volume fulfillment requests with 99.9% accuracy.
- Processed customer orders by accurately picking and sorting inventory for packaging, ensuring timely and error-free deliveries.
- Optimized workspace organization and cleanliness, contributing to a safer and more efficient inventory management environment.

EDUCATION

Bachelor of Science in Business Administration | University of Somewhere | Cityville, ST | 2016 - 2020

Graduated Summa Cum Laude, President of the Business Student Association
